

## **ANAC's final decision**

### **Aircraft parking charges for Porto and Faro airports, for 2022**

Following the additional information given by ANA SA, the Portuguese National Aviation Authority (ANAC) has issued its final decision regarding parking charges at Porto and Faro airports, namely in what concerns a minimum charging amount for periods of 24 hours.

These charges were already in place since the 1st of January 2022 but based on ANAC's provisional decision.
