

Disclosure of financial and operational information regarding 2022

ANA hereby discloses to ANAC, airlines and all stakeholders the following financial and operational information regarding 2022:

(1) Report of the revenue from regulated charges and terminal passengers, recorded in 2022, in the airports of the ANA network.

(2) Report from the auditors issued by Deloitte & Associados – Sociedade de Revisores Oficiais de Contas, SA.

This information complies with what is established in the model of economic regulation, specifically in clause 10.1, of Annex 12, of the Concession Contracts for the airports of the ANA network, regarding the publication by the concessionaire of the annual audited financial and operational information.
