

Addendum to the disclosure of financial and operational information regarding 2019, already carried out in June 2020

ANA hereby discloses to ANAC, airlines and all stakeholders the following additional Addendum to the report of the revenue from regulated charges and terminal passengers recorded in 2019, related to the Lisbon Group, along with the auditors' report on the information now disclosed.

This Addendum seeks to apply ANAC's resolution on the methodology of Lisbon Group's traffic mix deviation calculation, which is one of the components of the adjustment for 2019 forecast errors.

This information follows clause 22.1 of ANA's Concession Agreements and clause 10.1 of Annex 12, regarding the publication of annual audited financial operational information of ANA's compliance of Annex 12.
