

ANAC's final decision

Traffic and Regulated Handling charges at Lisbon Group airports (Lisbon, Madeira, Azores and Beja airports), for 2019

The Portuguese Civil Aviation Authority (ANAC) issued its final decision on the proposal for Traffic and Regulated Handling charges at Lisbon Group airports, in the exact terms proposed by ANA Aeroportos on its deliberation issued on 3 January 2019.

The amounts now approved by ANAC at Lisbon Group airports, for the year 2019, included in the attached table of regulated charges, will take effect on 07 March 2019.

ANA appreciates the participation of all Users and Representative Associations during the consultation process.
