

## **ANAC's decision**

### **Regulated Charges for 2017**

For 2017, ANAC approved the following regulated charges, in the exact terms as proposed by ANA for all ANA network airports: landing, parking, hangar, aerodrome opening, regulated handling (passengers handling /check-in desks, baggage handling) as well as CUPPS (Common Use Processing Passenger System), CUSS (Common Use Self-Service) and BRS (Baggage Reconciliation System).

The amounts now approved by ANAC for the year 2017 will take effect on 09.03.17, tables of regulated charges are published on ANA website.

The Regulatory Authority is still analysing the proposal for the update of passenger service, passengers with reduced mobility and security charges.
