CHARGES GUIDE

Billing and Charges Payment

Rules of invoice processing, dispatch and payment

Charges Category	Billing schedule ¹	Payment Terms
Traffic Security PRM	<p>3 invoices are issued per month for the following periods:</p> <p>1st invoice period 1st to 10th calendar days;</p> <p>2nd invoice period 11th to 20th calendar days;</p> <p>3rd invoice period 21st to last day of each month.</p>	<ul style="list-style-type: none"> • Cash basis (prompt payment) regime; • Pre-payment regime; • Granting of credit: payment within 15 days from date of the issuance of invoices; • Through payment representative (handler).
Handling	One monthly invoice is issued, dated the last day of each month.	
Others	One monthly invoice is issued, dated the last day of each month.	

Details of payment terms

- Invoices and payments are made in euros.
- In the cash basis regime, the payment of all services must be made immediately after the invoice issuance, including terminal control duties from NAV, E.P.E. . The payment shall be made by the company or by the handler at airport services, prior to take-off.
- In the pre-payment regime, the payment of services estimated by ANA based on the flight schedule shall be made prior to any operation.
- To apply for the credit payment regime, the client shall submit a written request to ANA, which will be subject to a case-by-case evaluation. In the case that this regime is accepted, ANA reserves the right to make its decision to grant credit subject to the provision of a guarantee. The payment of invoices must be made within the established period, and the amount owed cannot, in any situation, exceed the amount of the guarantee presented. In case of non-compliance with the due date agreed for the invoice's payment, daily late interest shall be payable by the debtor until the effective date of payment.
- The credit conditions assigned may be modified or cancelled by ANA with a five working days' notice.
- In the event of non-compliance situations ANA may determine, without prior notice, the cancellation of the assigned credit and the consequent change to the cash / prepayment regime. The suspension of the provision of services will also be possible. In the event of non-compliance with the terms established for the current account, the cancellation of credit and alteration to the prompt/ prepayment scheme, or suspension of services provision may be determined.
- Charges exclude VAT (Value Added Tax) except when indicated.

¹ Not applicable to the cash basis payment regime, since in this scheme all services and accesses provided are invoiced immediately by aerodrome services (SOA).

13.27 €

Infrastructure Type II - external diameter > 100 mm and <= 200mm

22.16 €

Infrastructure Type III - external diameter > 200 mm

29.51 €

NOTA Infrastructure whose section is not circular and for rate application is considered the measure of larger diameter shaft.

CHARGES GUIDE

Billing and Charges Payment

Rules of invoice processing, dispatch and payment

Charges Category	Billing schedule ¹	Payment Terms
Traffic Security PRM	<p>3 invoices are issued per month for the following periods:</p> <p>1st invoice period 1st to 10th calendar days;</p> <p>2nd invoice period 11th to 20th calendar days;</p> <p>3rd invoice period 21st to last day of each month.</p>	<ul style="list-style-type: none"> • Cash basis (prompt payment) regime; • Pre-payment regime; • Granting of credit: payment within 15 days from date of the issuance of invoices; • Through payment representative (handler).
Handling	One monthly invoice is issued, dated the last day of each month.	
Others	One monthly invoice is issued, dated the last day of each month.	

Details of payment terms

- Invoices and payments are made in euros.
- In the cash basis regime, the payment of all services must be made immediately after the invoice issuance, including terminal control duties from NAV, E.P.E. . The payment shall be made by the company or by the handler at airport services, prior to take-off.
- In the pre-payment regime, the payment of services estimated by ANA based on the flight schedule shall be made prior to any operation.
- To apply for the credit payment regime, the client shall submit a written request to ANA, which will be subject to a case-by-case evaluation. In the case that this regime is accepted, ANA reserves the right to make its decision to grant credit subject to the provision of a guarantee. The payment of invoices must be made within the established period, and the amount owed cannot, in any situation, exceed the amount of the guarantee presented. In case of non-compliance with the due date agreed for the invoice's payment, daily late interest shall be payable by the debtor until the effective date of payment.
- The credit conditions assigned may be modified or cancelled by ANA with a five working days' notice.
- In the event of non-compliance situations ANA may determine, without prior notice, the cancellation of the assigned credit and the consequent change to the cash / prepayment regime. The suspension of the provision of services will also be possible. In the event of non-compliance with the terms established for the current account, the cancellation of credit and alteration to the prompt/ prepayment scheme, or suspension of services provision may be determined.
- Charges exclude VAT (Value Added Tax) except when indicated.

¹ Not applicable to the cash basis payment regime, since in this scheme all services and accesses provided are invoiced immediately by aerodrome services (SOA).
